HEAD OFFICE:

SINGAPORE.

This Company has been formed for the purpose of supplying the demand which has been felt for many years past, of a well-planned and well-fitted modern hotel of sufficient dimensions to accommodate the large and constantly growing passenger traffic through Singapore, as well as supply the great demand for temporary accommodation of the transient population.

Singapore is the chief town of the British Crown Colony of the Straits Settlements, and is a leading place of call and coaling port on the great steam lines of communication with the East. It is the principal centre of an extensive trade with India, China, the Dutch Indies, the Philippines, Siam and other countries.

The present hotel accommodation in Singapore is quite inadequate, and it is proposed to build a new hotel site and partly occupied by the Hotel de l'Europe, and build thereon a hotel of much larger dimensions, and greatly improved construction and arrangement. Fully detailed plans have been prepared and the engagement of a first-class Manager is already secured.

Prospectus and Forms of Application may be had at any of the Agencies of the Company's Bankers, the HONGKONG AND SHANGHAI BANKING CORPORATION and the CHARTERED BANK OF INDIA, AUSTRALIA, AND CHINA, or MR. D. G. CROUCH.

A certain number of Shares will be reserved by the Directors for Allotment to Hongkong Applicants.

APPLICANTS' SHARES will have to pay in full the share for the difference in Exchange between this Port and Singapore.
